

THE CHURCH AT LAODICEA

Revelation 3:14-22

What are the ways by which Jesus identifies Himself? (14)

- As the Amen—John records Jesus using the term 50 times;
--Amen translated is, “I tell you the truth.”
- The faithful and true witness;
- The ruler of God’s creation.

Notice the lack of commendation (customary in the message to the other six churches).

No mention is made of heretical influence.

Far more serious than correct thinking is the heart problem.

What attitude is described in verse 17?

What is Jesus’ counsel? (18)

Why does Jesus discipline the church? (19)

What is Jesus’ invitation to the backslidden congregation? (20)

What is promised the overcomer (21)?

What is the Spirit saying to our congregation? (22)
